## Civil Action

No. 1:21-CV-565-RP

**DEFENDANTS' UNOPPOSED  
CONSOLIDATED MOTION FOR EXTENSION OF TIME  
TO FILE REPLIES IN SUPPORT OF MOTIONS TO DISMISS**

Defendants, Joeylynn and Robert Mesaros, Eliazar Cisneros, Hannah Ceh, and Delores Park (collectively “Defendants”), file this Unopposed Motion for Extension of Time to File Replies in Support of Motions to Dismiss (Doc Nos. 22, 24, 25, 33), seeking a fourteen-day extension. In support of their Motion, the Defendants state the following:

The Defendants seek a fourteen-day extension to file their separate replies in support of their individual motions to dismiss. The requested extension is to allow the Court and the Defendants to determine whether the proposed amicus curiae brief (Doc. No. 37-1) submitted by the Campaign for Legal Center Action (“CLCA”) is to be considered by the Court. The Defendants believe that should the amicus curiae brief be considered during this early stage of the litigation, that such inclusion requires that their reply address its arguments. The Defendants believe this to be the case as the proposed amicus curiae brief

makes comparable and overlapping arguments to the Plaintiffs' response, but also significantly expounds upon them.

For the reasons stated herein, the Defendants respectfully request that this Court grant their Motion for Extension of Time to File Replies in Support of Motions to Dismiss and allow them to file their separate replies on October 4, 2021. This is not made for purposes of delay but only so justice can be done.

If the Court is inclined to not grant the Defendants this relief, they alternatively request a seven-day extension so that their response to CLCA's motion for leave are due on the same day.

On September 17, 2021, the Defendants contacted the Plaintiffs' counsel via email regarding their position on this two-week extension. Plaintiffs stated that they are unopposed.

Respectfully submitted,
